St Munchin's Catholic School Gosnells Message from the Principal

20th June 2018

Dear Parents, Guardians and Friends

It has been brought to my attention that a number of class Facebook pages have been opened under the School name.

I am not aware of providing consent to any person to set up these pages.

I would appreciate the administrators of these Facebook pages arrange an appointment to meet with me to discuss the protocols for the set up and use of these pages, since they are under the name of St Munchin's School.

Thanking you in anticipation

Yours Sincerely

Rob Romeo
Principal
