Our Vision

St Munchin's Catholic School aspires to reflect the life and love of Christ for His people.

Our Mission

In the tradition of Eucharistic sharing, St Munchin's Catholic School community aims to reflect the life and love of Christ for His people.

The school community works together to provide pastoral care for each person and to nurture the development of the whole child.

Term 2 Week 9
Thursday, 28th June 2018

Gracious God,
remind us that we live in a human family
made up of many different people.
Help us to see you in each other's face
so that we may treat everyone with the same loving
mercy and kindness that you show to us.
Give us the courage to step into our day knowing
that we can make a difference in the lives of others.
We ask this in Jesus' name.
Amen.

Whole School Mass

We celebrate the Feast Day of Saints Peter and Paul.
We also congratulate and welcome Mrs Adams and
her daughter Seren into the Catholic community as they are
"Received into the Catholic Church".
We hope you can join us for this celebration.

Dress for LifeLink Day Friday 29th June 2018.

This week our students have been learning about LifeLink and preparing
cards to share with the parish.

The LifeLink organisation was established by the Archdiocese of Perth in
1994 to provide for the ongoing financial and promotional support of
agencies established or assisted by the Church.

LifeLink's agencies deliver professional services & caring support to
thousands of people in need throughout Western Australia each year
including those in financial hardship, those with disabilities, refugees and
the homeless.

The work of LifeLink is a positive demonstration of Faith in Action.

Last year, LifeLink funded agencies reached out to help
over 34,000 Western Australian families & individuals in need.

If you would like to read more about the work of LifeLink agencies please
visit <https://lifelink.com.au/agencies-contacts/>

To help LifeLink help people in need this winter we are holding free
dress for a gold coin donation, tomorrow.

LifeLink.
