

Rationale

St Munchin's Catholic School community respects the rights of its students to be free from all forms of bullying and is committed to providing a safe environment for all students.

PRINCIPLES

Through our shared vision and whole school policy we are committed to addressing all incidents of bullying. At St Munchin's, we aim to ensure that all students are valued and that engaging in 'bullying behaviour' is **unacceptable**. Disregarding bullying behaviours or participating as a 'bystander' is **unacceptable**. It is the responsibility of **ALL** community members to ensure the safety, security and respect of all individuals.

The process (action plan) is aimed at targeting individuals engaged in bullying and empower witnesses to be more proactive in addressing this behaviour.

At the classroom and playground level, teachers will endeavour to educate students about **appropriate and acceptable social behaviour**.

At the school community level, issues of bullying will be addressed by relevant students and staff, and where necessary, the school Leadership Team.

Resistance to behaviour change and repeated offending will require the school's discipline procedures to be enforced. (See Behaviour Management Policy which is included in the Parent Handbook)
