

ST MUNCHIN'S CATHOLIC SCHOOL

VISION FOR LEARNING 2022-2025

WE ASPIRE TO REFLECT THE LIFE AND LOVE OF CHRIST FOR HIS PEOPLE

EDUCATION

We aim for a year's growth for a year's learning for each of our students. We hope to develop a community of critical thinkers and life-long learners

RESPECTFUL RELATIONSHIPS

We believe students learn best when there are positive and respectful relationships between staff, students and parents. We encourage all students to grow in **COMPASSION** and **MERCY** and develop empathy and care in all their relationships

COLLABORATION

We value unique perspectives through communication, negotiation and debate where independent and creative thinking are encouraged in an inclusive environment

SAFE

We provide a safe and welcoming environment which fosters tolerance, respect and **SERVICE** to others

CHRIST CENTRED CHILD FOCUSED

We believe in **JUSTICE** where all students are given opportunities to achieve **EXCELLENCE** and contribute to our world in a Christ centred environment

CONTEMPORARY

We inspire students in an engaging and contemporary learning environment. We empower learners to use technology as a tool to problem-solve and enhance learning

ENGAGEMENT

We create engaging learning spaces where students are supported and challenged to reach their full potential through curiosity, optimism and motivation

CATHOLIC IDENTITY

We work with families and the Parish Community to nurture and enrich the faith formation of our students through prayer, the sacraments and modelling of Christlike attributes to form our students into positive contributors to our world
